

Osborn Water Festival

Volunteer with us!

Join us for the 2nd Annual Osborn Water Festival, an educational field day event that instills a deeper understanding of water in the earth system and Arizona’s water resources to:

- Celebrate science and water stewardship
- Activate hands-on learning activities for students
- Contribute to your community

We need YOU!

We’ll train you on April 26 on how the Water Festival works. Then, at the Water Festival event on May 3 you will teach the lesson you were trained on. We will provide lunch and snacks throughout the day.
