

Water - Arizona's liquid gold!

Arizona Project WET Workshops

Workshop Dates In 2014:

February 8 - Grades 1-4

February 22 - Grades 5-8

April 26 - High School

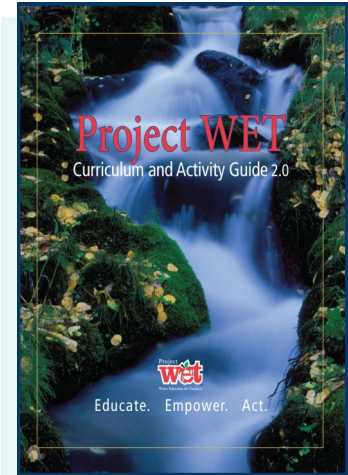

Times: 9:00 a.m.—3:30 p.m.

Location for all 3 workshops:

Maricopa County Cooperative Extension

4341 E. Broadway Road

Phoenix, AZ 85040

The *Arizona Project WET* team is excited to invite you to a **free** workshop!

Who should attend?

> Educators at all grade levels and across all subject areas whether a past participant or new to Project WET

Why should you attend?

> Leave with practical training that will enable you to teach about water through interactive, science-based activities using 21st Century skills necessary for today's students to succeed

> Workshops infuse teaching technology into instruction and model effective multi-modal instructional practice

> Collaborate and engage with other educators in ongoing instructional improvement that provides research-based instructional strategies to assist students in meeting rigorous academic standards

What will you receive?

> A copy of the *Project WET Curriculum and Activity Guide 2.0*

> A certificate for 6-hours of professional development.

> Access to the interactive [Project WET Portal](#)
