

Systems Thinking * Inquiry

An Arizona Project WET Teacher Workshop

For Washington 4th grade teachers interested in activating their instruction.

Sponsored by *City of Phoenix* which enables this workshop to be *FREE* of charge!

Date: **Saturday, February 16, 2019**

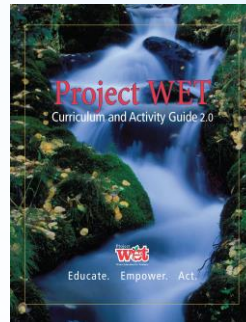

Time: **8:30 to 3:30** (lunch provided)
(working lunch – 7 hours of pd credit)

Location: **Washington ESD District Office**
4650 W. Sweetwater Ave. Glendale, AZ 85304

The Arizona Project WET 4th Grade teacher professional development workshop helps teachers infuse inquiry and exploration in to science and STEM learning. The workshop offers ways to activate instruction about the water cycle, watersheds, the groundwater system and water conservation technology and build them in to the curriculum to help you meet the new 4th grade earth science standards.

Receive:

- The NSTA recommended Project WET Curriculum and Activity Guide 2.0
- Access to APW water educators to facilitate learning in your classroom
- Access to teaching tools and resources from APW
- 7-hours professional development
- Lunch

Register at:

<https://arizonawet.arizona.edu/APW Water Workshop>

Only 25 spaces available.
