

Clean Water Academy

A Collaboration of Arizona Project WET
Pima Association of Governments
Tucson Water

- ❖ Explore Real-World Solutions
- ❖ Examine Water Quality Issues
- ❖ Engage in STEM Lessons

Academy Teachers will:

- ❖ Differentiate between point and non-point source pollutants in our area
- ❖ See how STEM professionals ensure a clean water supply
- ❖ Analyze how land uses affect runoff in a watershed
- ❖ Understand how surface water and groundwater are managed to ensure water quality
- ❖ Tour Agua Nueva water reclamation facility of Pima County, and water remediation facility of Tucson Water

Dates: June 2 & June 4 2014

7:30 AM – 4:00 PM

University of Arizona

Lunch Provided

Audience:

- ❖ 4-12th Grade Teachers in Pima County

Benefits:

- ❖ Tour parts of Pima County's water supply system
- ❖ Receive hands-on experience with Arizona Project WET (APW) lessons and copies of two Educators Guides
- ❖ Have access to trained APW Facilitators to assist in class

4th – 12th Grade Teachers Apply by 4/1/14 at:
